

# WAIVER FOR VERTICAL MAST

Full Name:

Owner of Property At:

acknowledge the Chicopee Electric Light policy not to provide electric service to a building by means of attaching service conductors to a roof penetrating or side mounted vertical mast.

If CEL will waive its' policy and supply electric service through means of the existing mast, I affirm that the City of Chicopee will not be responsible for damage, either personal or property, which occurs as the result of the such mast having been used or installed.
